The oil + material for repairing the punctures of the bicycles may be purchased by the D.S.P. without the Resident's sanction upto Rs 15 in each case whenever required.

The cleaning may be done by the official in charge of the cycle or by his peon. Under the above circumstances, the necessity for a recurring expenditure of Rs 8 p.m. & the Resident's sanction therefor does not seem to arise.

SIR,

Forwarded
recommended
O. P. Ram

Con.

I have the honor to state, that the want of a
bicycle for the treasury is greatly felt since the
transfer of cash transactions to the Bank of Madras, for
the following reasons:-

1. For conveyance of telegraphic messages to the
Bangalore Signalling Office etc., as applications by
express telegrams are very frequently required to be made
to the Accountant General, Madras, for sanction to the
transfer of funds from the currency chest to meet the
requirements of the treasury.
2. For prompt and immediate communication to the
Bank of Madras, Bangalore, of the sanction conveyed
accordingly by the Accountant General, Madras.
3. For communication to the Bank of Madras, Bangalore
of letters of credit in favour of the Divisional Disbursing
Officers of the Military Department etc., which are
intimated both by wire and by letters by the Accountant-
General, Madras, and which require immediate and prompt
action.

(38)

On authorised holidays, when the Bank is open for transactions, I generally attend the treasury to pass the bills for payment of emergent advances to the Military Officers, as such bills are very often presented during authorised holidays; when I do not occasionally attend the treasury, bills presented for payment are sent to me to my quarters through peons for payment order. This causes inconvenience and delay, as the peons have to walk all the way from the office to my residence and back.

5. In the circumstances, I request that you will be so good as to sanction the purchase of a bicycle at a cost not exceeding Rs.135/-, the charge being met from the savings of Rs.193-10-0 available in the allotment of Rs.200/-, sanctioned for the treasury in the Residency Budget for the current year, under the head "Purchase and repair of furniture."

Sir,

Purchase of new bicycles in place of unserviceable
ones.

The two bicycles purchased for use at the office and
bungalow of the Collector in May 1915 and December 1920 res-
pectively, have become absolutely useless on account of wear
and tear and it will be false economy to spend any more ^{money} to
repair them.

I request therefore that the Hon'ble the Resident will be
pleased to sanction the purchase of two new machines at a cost
not exceeding Rs 318/-. This amount will be met from the sa-
vings anticipated under the head "2 Taxes on Income - Contin-
gencies - Miscellaneous"

The old machines will be sold by auction and the proceeds
credited to Government.

I request the favour of very early orders as considerable
difficulty is being experienced for want of bicycles.

I have the honour to be,

Secretary to
the Hon'ble the Resident in Mysore,
Bangalore.

I have the honour to state that the office bicycle has become entirely unsuitable for use. It was purchased in 1918 and has done continuous service. I have had it repaired on several occasions and think that any more money spent on it will be a waste, the brakes, the wheels and spokes requiring replacing. I therefore propose to purchase a new bicycle locally (the need is very urgent as the peons cannot use the bicycle) and request you to be good enough to obtain the Hon'ble the Resident's sanction to the purchase of a machine at a cost not exceeding Rs.185/-. The expenditure will be met from the allotment for contingencies of my office.

2. The old bicycle will be sold by public auction and the proceeds credited to Government.

Sir,

I request that sanction may be accorded to a recurring expenditure of Rs. 15/- p.m. for the up-keep of the 8 bicycles belonging to this department. Up-keep covers cleaning, oiling once a week and repairing punctures when they occur.

2. The charge - if sanctioned may be debited to "26-A Police District Executive Force - Contingencies - Office Expenses and Miscellaneous".

The expenditure was incurred under the impression that it was within my power but the Pay and Accounts officer has objected to the same pending the Hon'ble the Resident's sanction.

Sir,

S.51 Reference your No. 1406/257-1910 dated 13th February 26.

"Cleaning" ^{in this case} means taking down moving parts, cleaning, oiling
and resetting. Puncture repairing by constables is not likely
to be efficient. For these reasons I do not think it will pay
to have such work done by the constables who use the cycles.
